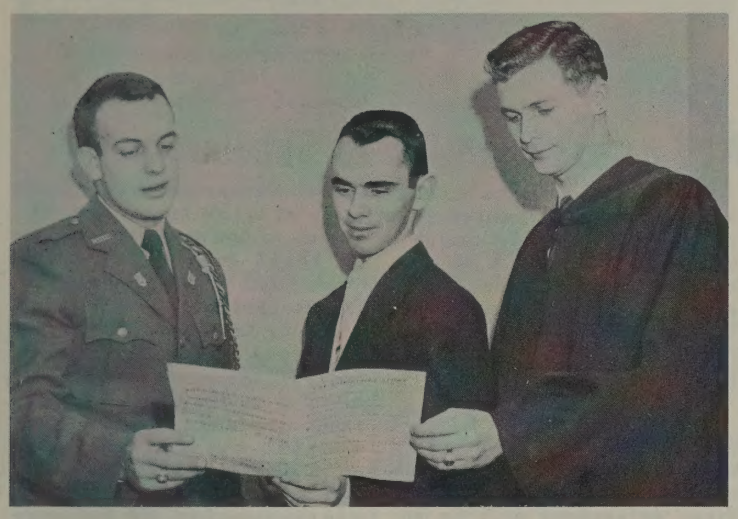
CHRISTMAS CONCERT COMBINES TALENTS OF GLEE CLUB, BAND



FRED BLAISE, BOB WAGNER, JOHN STEBBINS

By Sarto Sasseville Jr.

On Sunday evening December 13, at 8 o'clock P.M. the doors of Austin Hall will once again be open for " Lovers of Good Music." This annual Christmas Concert will ininclude the joined forces of the Air Force ROTC Band, directed by M. Sgt. Alexander Stone, and the St. Michael's Glee Clubs directed by Mr. John D. Donoghue. The Trinity College Glee Club, directed by Miss Dorothy Hunt will also appear as guests.

The concert will feature "The Christmas Story," having a narrator to tell the story, according to the Gospels. This will be accompanied by an arrangement of Christmas airs by Paul Yoder-especially for the Band and the Glee Club. There will also be selections from Handel's oratorio " The Messiah," " Alleluia " and familiar carols of the " Noel" season. These carols will not only be sung by the Glee Club. Some of these best loved songs will

If You Want Your Paper...

There will be a special Christmas issue of the The MICHAELMAN published next week which the Editors would like everyone to receive. However, as many students will be going home early, normal methods of distribution will have to be abandoned.

In order to be sure that everyone gets his copy, several members of the staff have volunteered to mail this issue to anyone who wants it. This is a big job and your assistance would be appreciated.

So, if you are going home early, and if you would like to have The MICHAELMAN mailed to you, leave your name in the Public Relations office in Old Hall before you leave.

Orlando Elected Pres. In Freshman Contest

Eaton, McCormick, Murphy Fill Other Three Posts

In the Freshman class elections, held Monday, December 7, Charles Orlando was chosen president. Along with Orlando, three class officers and six Student Council representatives were picked by their classmates.

The president of the Class of 1957, comes from West Nyack, N.Y. In high school he held the distinction of being class president for all four years, and it would thus seem that he should be well qualified to handle this new presidency. The Freshman class head lives in Old Hall III.

CHARLES ORLANDO

The other officers are:

Vice-President: John Eaton, from Rutland, Vt., who lives on Old Hall IV.

Treasurer: James McCormick, of Holyoke, Mass., also living on Old Hall III.

Secretary: Richard F. Murphy, a native of Brooklyn, N.Y., Old Hall II.

The STUDENT COUNCIL representatives of the Class of '57:

Joseph Brault, Springfield, Mass., Old Hall II.

Peter Calabrese, a veteran from Palisades Park, N.J., St. Pat's.

Bernard Cieplicki, Jersey City, N.J., Old Hall III.

James Dailey, Hartford, Vt., Old Hall III.

Patrick Dowd, Westfield, Mass., Old Hall III.

Stephen McCulloch, New Rochelle, N.Y., Old Hall II.

COMMITTEE OF THREE

Of the six Student Council representatives nominated, three will be picked by president Orlando and an advisory committee to sit in on Council meetings. The prime considerations in choosing the three men will be: number of votes in the election and marks of the individual students.

With the four officers set to start work, and the selection of the three Councilmen in the offing, the obvious questions are: " What will be expected of these men?" What will be their duties?" The answer to the first question is quite obvious to all, the answer to the second not quite so obvious.

MUCH EXPECTED

Naturally, president Orlando and the men under him will be expected to be a credit to their class. They will achieve this by working hard for the class, seeing to it that all of the affairs of the class are handled not only adequately, but superlatively.

Bredenberg Now Heads Debaters

By Dave Quinlan

The Debating Club, through its spokesman, today announced the election of Henrik Bredenberg, a sophomore from Champlain N.Y., as its new president. He succeeds John Carroll who had to resign because of other numerous responsibilities.

A two year debater, and one of the most promising of the team, Hank is active in many other school affairs. He is a member of the band, the editorial staff of the MICHAELMAN, has written for the Lance; to mention a few but still finds time to consistently make the Dean's List.

HEAVY SCHEDULE

At the same time the Club's plans for the future were announced. Preparations are already in progress for the varsity's annual New England trip which takes the team to such spots as Manchester, N.H., Boston, Worcester, Springfield, Mass., Providence, R.I., and other cities where they debate the major colleges of New England. Also spotlighted in the plans are: a debate before the State Labor Convention at the Hotel Vermont early next semester and a similar performance before the Bishop De Goesbriand Council Knights of Columbus. Early April will find St. Michael's playing host at the annual Novice debate.

Recently the team debated UVM in a debate which was open to the students and general public. A good size crowd showed up and went away more than pleased with the

ST. MICHAEL'S RADIO STATION PLANS NEARING COMPLETION

Photo by L. Viola

CHARLIE ELDRIDGE, TOM JOHNSON, CRAIG TYNAN, TONY AGOSTINELLI.

By Craig Tynan

Plans for the new campus radio station are being completed and it won't be long before Michaelman will be listening to their own news, quiz and disc jockey programs.

Charlie Eldridge, Station Manager; Tom Johnson, Technical Director; Craig Tynan, Business Director; and Tony Agostinelli, Program Director are mapping the different shows that will make up the five hour daily program from 6:30 P.M. to 11:30 P.M.

STAFF READY

This group plus Tom Mannix, News Editor and son of the well-known news commentator, Martin Mannix, are the nucleus of the W.S.S.E. Radio Staff.

News was recently received that the Student Council has recognized the proposed station as being very beneficial to the college and thereby worthy of a $425 grant. The funds will be used to purchase a transmitter, turntable, control board or some other needed piece of equipment.

MANY OPEN JOBS

Still more jobs need to be taken care of and new members are always being looked for. Most of the present activities in the group are in collecting all the equipment necessary for such a project and in preparing the site of the station. Austin Hall seems to be the best because of its central position and comparitive quiet.

" The date of the first official meeting will be posted and then we hope the next ones will be broadcasted, " Charlie Eldridge said hopefully.

VERMONT HIGH SCHOOL STUDENTS GET TASTE OF COLLEGE LIFE HERE

All Michaelmen extend a welcome to the group of 30 high school seniors who arrived on campus at noon yesterday for a weekend visit. These Vermont students are here to obtain some idea of college life, but more especially to acquaint themselves with the advantages of the Catholic higher education offered here at St. Michael's.

To accomplish this double purpose, two members of the Class of '57, John Eaton of Rutland, Vt., and James Dailey of Hartford, Vt., acted as hosts in the program which began today.

In the morning Rev. Gerald E. Dupont, S.S.E., Dean of Studies officially welcomed the group. After this, they were addressed by First Lieut. Frank Delmerico, of the ROTC staff.

Father Dupont outlined the academic policy here at St. Michael's, while Lieut. Delmerico explained the advantages of participating in the ROTC program.

Rev. Vincent Maloney, S.S.E., then introduced them to the College Library and explained its functions.

Then to complete the morning's activities, the visiting students visited the various classes in session, thereby getting firsthand impressions of scholastic life at St. Michael's.

After dinner, they were shown the movie, " Life at St. Michael's " along with films of Knight athletic teams in action.

A panel discussion by various SMC club officers enabled the visitors to assess the extra curricular activity aspect of collegiate life.

The weekend ends tomorrow, December 13, with Mass and dinner.

This event marks the first time in the school's history that such a tour was conducted on an organized basis for so large a group.

"THE STATE OF EDUCATION"

Upperclassmen these days are hearing about, and freshmen are having first hand experience with the new curriculum now in full swing here at St. Michael's.

This new and unique plan has received nation-wide notoriety over the past year, and is becoming better known and better appreciated as time goes by.

Now as never before a man's worth and capacities are being measured by comprehensive exams concerning the material he has covered. His education will no longer be a mere test of brute memory where the criterion of the educated man was the difference between 69 and 70%.

EDUCATION LEVEL LOWERED

The new curriculum is pointing out the errors of professors who, brilliant in their own right, honestly thought they were fulfilling their obligations by exposing a string of facts to their students, then sitting back and expecting to hear the facts thrown back at them, parrot-fashion. History became nothing more than a series of acts, dates and treaties. Literature was nothing but a list of names and titles and an ability to quote passages *ad absurdum*.

Education had degenerated to the point where colleges were turning out human recording machines. St. Michael's, drawn into this dilemma by sheer competition was one of these.

IMPROVEMENTS MADE

Now, through the Grace of God and the foresight of a conscientious administration, our college has changed and become a leader. Now, the student is urged to think, not memorize; to look at the past and gain from it, pass judgement on the present and intelligently prepare for the future; to consider not the making up of a few insignificant credits or meeting the " requirements " of the college.

This, however, is only the beginning. Old, outmoded methods must be abolished and the way shown for intelligent, Catholic, and above all sensible education.

NOT SO MODERN

The theories behind the new curriculum are far from " modern " however, Socrates advised his pupils to " know thyself. " He meant, of course, that man should have a knowledge of himself in relation to God and his fellow man.

In other words, the complete man, the educated man is the well integrated man.

This ideal is so far above the idea of a human memory machine, that the latter pales into ridiculous insignificance beside it.

Korean Checks To Be Early

Korean Veterans in training under the GI Bill will receive their monthly checks in plenty of time for Christmas due to a speed-up in processing ordered at the Veterans Administration Center, White River Junction, today, Acting Manager Theodore A. Straw said.

Straw said that these monthly checks, usually mailed on the 20th of each month, will be mailed not later than the 16th of December, to arrive at the veterans homes the following day. This plan will enable Korean veterans from other states going to college in the Vermont area to receive their subsistence checks before they leave for home for the Christmas Holidays on Friday the 18th.

Council Finances Movie, Radio Plans

At the Student council meeting this week, final plans were laid for the purchase of a motion picture projector. Beginning in January movies will be shown every Sunday evening. The use of two cameras will assure a continuous movie. The project is under the direction of Cleveland Williams. Another purchase okayed by the Council was for A number of card tables to be used for functions in Austin Hall.

Charles Eldridge and his Radio Station project was given the green light to go ahead and buy the necessary equipment. The Council agreed in a unanimous vote to allocate them the necessary funds. The entire proceedings will be carried on with the help of Father Duford, Hank Cournoyer, and John O'Connor.

Council president Peter Chiacchieri announced the establishment of a national Catholic fraternity, the Sigma Beta Kappa. Headquarters are in Atlantic City, New Jersey, and they are at present trying to get member chapters in Catholic U.S. colleges and universities.

NYU Offers Root Tilden Scholarship

Outstanding American college seniors interested in a career of legal leadership may apply now for a $6,600, three-year Root-Tilden Scholarship offered at the New York University School of Law, Dean Russell D. Niles announced on Sunday, October 25.

Applications for the 20 Root-Tilden Scholarships to be awarded next year must be made by February 15, 1954. Final selections will be announced late in April and recipients will begin their study at NYU in September.

The unique scholarship program, designed to help educate and develop potential leaders in public affairs, was inaugurated at the University three years ago. It now has 54 young men under training for the legal profession.

Made financially possible by an anonymous donor, the scholarships honor two NYU School of Law graduates famous in legal history -- Elihu Root (1867) and Samuel J. Tilden (1841).

In the tradition of the men for whom they are named, Root-Tilden Scholarships are awarded on the basis of superior academic record, potential capacity for unselfish public leadership, and active extracurricular participation in college life.

Each circuit committee chooses two Root-Tildens Scholars and a first and second alternate. State and circuit committee members for the screening of 1954 candidates will be announced early in December.

Further information may be obtained from Mr. Herbert in Old Hall.

GI BILL ALLOWS COURSE CHANGE

Veterans taking undergraduate college work under the Korean GI Bill may shift from one bachelor's degree to another, without having it count as their one-and-only change of course allowed under the law, Veterans Administration said today in answer to many queries.

The Korean GI Bill allows veteran-trainees to make no more than one change of course. A course change usually means a change in the professional or vocational objective for which the veteran is aiming, VA explained.

As an example, VA pointed out that a veteran who had enrolled for a four-year course leading to a BS degree in Agriculture could move over to an AB degree in liberal arts.

The reason that changes in degree need not constitute changes in course is that VA lists a veteran's educational objective as a baccalaureate degree, pure and simple, without any reference to his major field of study.

Nevertheless, colleges still are required to inform VA whenever a Korean GI trainee changes the degree he's aiming for. The school must certify that the change does not involve any extension of training time; it also must give the name of the revised degree objective to which the veteran has changed.

FASTBREAKING KNIGHTS TROUNCE ACES 82-69

A fast breaking Knight cage squad overran American International College 82-69 at Memorial Auditorium for the second SMC victory of the season.

Paced by Bob Young's 23 points and the aggressiveness of reserves Dick Spreer and Bob Bolster, St. Michael's did away with the Aces six point advantage early in the second period and held a commanding lead for the rest of the game.

Young poured in the Knights' first 5 tallies to put SMC on an even keel with the Aces. The lead then shifted back and forth with AIC gaining a 5 point margin with only a minute remaining. Freshman John " Pickles " Wegrzynski hooked in one and Young added a foul shot at the buzzer to close the gap to 17-15.

John Donaghue and John Jones of the Yellow Jackets combined on a couple of fast breaks, stretching the lead to 6, but after that the roof fell in. Wegrzynski and Young began controlling the backboards and passing off to Bolster and Spreer, racing downcourt all alone. Right up to half-time, the trio of Young, Bolster and Spreer outran the Aces' defenses piling up a 37-30 lead. With four fouls on him, Young tossed through the cords his twentieth point before the intermission.

LEAD EXPANDS

The third period followed much the same pattern. Jones and Spreers came within a few points of knotting the score when SMC started running again. As fast as Wegrzynski could grab the rebounds, Spreer and Bolster raced it down. Lemanowicz added a few more and the Knights were on top 58-43 going into the final stanza.

Behind the 9 points of reserve John Fontana, the Aces moved up slowly coming within 5 points of the Knights. Three more fast breaks with Cieplicki and Spreer on the scoring end, however, just about wrapped it up for SMC. Finally with 23 points and 8 assists, Bob Young fouled out with 2 minutes left in the game.

John Jones was high for the losers with 20 as the game closed with St. Michael's on top 82-69.

S.M.C. MEETS ST.LAWRENCE SEEKING THIRD VICTORY

Aiming for their third consecutive win, the Purple Knights will play host to St. Lawrence University of Canton, N.Y., this Saturday at Memorial Auditorium. St. Michael's holds 3-2 advantage over the Larries in the games played since the war, but dropped last year's contest by a thrilling 72-70 count.

The Larries will enter the game with three games already played. In their season opener, St. Lawrence topped McGill of Montreal 78-40 at home, and then fell before Colgate 77-60 on the road. Before their game with the Knights, SLU will play host to Queens College of New York at the home court in Canton. On the other hand, the Jacobsmen have totaled 161 points in their two victories over Paul Smith's and American International.

LARRIES STRONG

Coached by Gardener Wells, St. Lawrence will send on the courts a squad built around Howie Kane. Kane, a 6'1" Guard is currently leading the Larries in the scoring column. Last year against the Knights, Kane tossed in 14 points.

The remainder of the starting five will combine veterans Jack Palmer, guard, and Dick Jones, center, with their varsity newcomers Don Saunders, forward and Ray Fryer, forward. Rad Fenner and Bill Green, also veterans give strength to Wells' bench.

Coach George " Doc " Jacobs of St. Michael's will probably start the same combo used in the two victories this year. High scoring Bob Young, with 45 points, and Russ Camire handle the forward duties. John Wegrzynski, SMC's leading rebounder is at center and freshmen Bernie Cieplicki and Tom Lemanowicz at the guard slots. In reserve, the Knight mentor has sophomore Dick Spree and junior Bob Bolster, both of whom saw plenty of action against A.I.C.

YOUNG, LEMANOWICZ LEAD SM TO WIN OVER BOBCATS

The charges of Coach George " Doc " Jacobs got off to a flying start on the basketball courts this season, trouncing the Bobcats of Paul Smith's 79-46 at Memorial Auditorium.

Bob Young and Tom Lemanowicz poured 22 and 17 points respectively through the hoops to lead St. Michael's But it was Russ Camire who got credit for the first score, jumping one in with less than a minute gone in the first period. The Knights never lost sight of that lead.

Paced by Young's 9 points and the rebounding of John Wegrzynski St. Michael's had a 23-11 lead at the quarter. Bernie Collins and Keith Stoute started hitting for the Bobcats and closed the gap to six points midway through the second stanza. Replacements Bob Bolster and Dick Spreer, however, soon gave the Knights back a substantial 39-26 halftime bulge.

LOSE BIG MEN

The lead expanded even more at the outset of the third period, when Bernie Cieplicki's set shot hit the mark three times. Camire added a few more and the Knights entered the last quarter on the good end of a 52-36 count.

St. Michael's put on another 27 point scoring spree in the last quarter, paced by Bolster's 7 tallies. At the same time, the Bobcats saw both their big men, Stoute and Diterichs foul out, leaving the backboards in the control of the Knights Paul Smith's was able to score only eight in that last canto.

FIRE HOUSE FIVE TAKES INTRA LEAD

The Fire House Five, the combo that won the intramural championship last winter for St. Patrick's Hall, began on the right foot again this season by beating the P.J.'s 37-24. Jim Schaefer and Jack Kendrick, who were among the top scorers in the past basketball league, threw in 12 and 9 points respectively for the winners. Paul Landry was high with 10 for the P.J.'s, who were leading at the half, 12-11.

Behind Bill Lynch and John Shea, St. Patrick's got their first win of the year over the Met. Warriors 47-32. Each tallied 13 for St. Pats, while Dick Kerber paced the losers with 11. The high scoring Hobos trounced the Ryans II Catamounts 60-35 with the help of Bob DesRoches' 23 points. The Hoboes 17 points in the third period put an end to what was a close contest at halftime. Cary Hamrah tossed in 9 for the Cats.

Back on the team roster after quite a few years, the Faculty basketball squad dropped a close 21-17 decision to the Ryan II Unknowns, Paced by Bill Kelly the Faculty was up 9-6 at the half but winded slightly in the third quarter. Charles Foley had 10 for the Unknowns.

St. James held Old Hall III scoreless in the first stanza and went on to win 22-19. Ron Bauer and John Coffey shared the scoring honors for St. James with 8 apiece. Ron Richard tossed 7 through the strings for Ryan III.

Essex Junction Off Campus defeated the Pre-Theos in their first contest 36-21 Led by Jerry Terino, the Pre-Theos were on top most of the way but Gene Condreras led the Off Campus squad to the final victory.

Tom Gallupo tallied 10 points in the final quarter to bring Ryan I from behind and Top Winooski Off Campus 38-35. John Pierce was high with 15 for Ryan I, while Dave Luberger scored 12 for Winooski. Old Hall IV beat the Down Town Five 32-22 behind the 10 points of John Eaton.

Knights Will Play Northeastern in '54

Athletic Director George 'Doc " Jacobs of St. Michael's announced this week that the Purple Knights would meet Northeastern University on the gridiron next fall. Negotiating with Herb Gallagher, Athletic Director at Northeastern, Jacobs signed a four year football contract. First game between the Knights and the Huskies will take place in Boston in 1954.

Coach Joe Zabilski's squad is recognized as one of the top small college teams in New Englamd. Zabilski himself received " Coach of the Year" honors in New England this year.

NFCCS Plans Student Tours

The itineraries for the fourth annual summer student tours of Europe were announced this week by the National Federation of Catholic College Students (NFCCS). Three economy-designed tours, featuring travel through six European countries--England, France, Switzerland, Italy, Spain and Portugal--are offered. Each tour will be accompanied by a chaplain and a guide.

The tours, priced at $679, $779, and $859, for thirty, forty, and fifty land-days, respectively, will include visits to numerous Marian shrines in commemoration of the 100th anniversary of the proclamation of the dogma of the Immaculate Conception.

It is to be noted that ten days sea-travel time should be added to all tours.

MANY STOPS

Besides extended stops at the famous shrines at Lourdes and Fatima, visits will be made at Notre Dame (Paris), Notre Dame de la Garde (Marseilles), Our Lady of Walsingham (London), Our Lady of Einseldeln (Lucerne), Our Lady of Loretto (Ancona), Our Lady of the Snow (Rome), and Our Lady of Montserrat (Barcelona).

In addition to being religious in their theme, the tours are designed to prove educationally stimulating. In line with this goal, plans are being made to divide the student tourists into groups with similar interests, such as art, history, literary and linguistic, so as to afford the student the full benefit of the experience.

All tours will originate and terminate at New York harbor. Sea travel will be aboard Cunard Steam-Ship Company passenger liners, and will consist of cabin accommodations in tourist class.

OVER-ALL PRICE

Trans-Atlantic and continental transportation, plus hotels, meals, and gratuities, are included in the over-all price. Lodging abroad will be in second-class hotels, and where rail transportation is utilized, it will be at least second-class. There will be no over-night train travel. Chartered motor-coaches will be used extensively on the Continent, since they afford maximum mobility.

Students interested in this NFCCS service may obtain additional information from Joe McCann, NFCCS Senior Delegate, or may write directly to the Catholic Travel Office, Trans-America Travel Agency, Inc., P.O. Box 186, Washington 4, D.C.

College Administration To Get Public Scrutiny

The American Institute of Management, New York, a non-profit organization to which more than 12,000 business leaders contribute as associate members, is preparing a management audit of Whitman College, Walla Walla, Washington.

The report, the first public document of its kind ever issued about any higher institution of learning, will be released in the near future. It will cover in detail all aspects of the college adminstration, in much the same way that previous A.I.M. audits have analyzed and evaluated the managements of selected American corporations, such as The Proctor & Gamble Company, American Telephone & Telegraph Company, The Hotels Statler Company, and others.

According to one eminent jurist, Associate Justice William O. Douglas of the Supreme Court, a trustee of the college, this unique undertaking will touch " one of the most important aspects of the American way of life. " Commenting on the audit, then in progress, Justice Douglas recently said, " It will herald a hard-headed approach to one of our most pressing problems - how to keep academic freedom alive; how to keep him who pays the piper from calling the educational tune; how to make sacred the precincts of the college campus so that men's minds will always be free. To many of us alumni, these are the considerations that make this project the most crucial one in Whitman's illustrious history.

"Jackson Martindell, president of the American Institute of Management, whose ability and integrity have brought him high honors in American business, will in time give a full and frank report on Whitman. What he will say we do not know. But certain it is that this analysis and proposals will be important not only to Whitman, but to all private colleges. "

C. Canby Balderston, dean of Wharton School, University of Pennsylvania, and William C. DeVane, dean of Yale College, are directors of the Institute. Others on the board, in addition to Mr. Martindell, include Alfons B. Landa, partner in the Washington firm of Davies, Richberg, Tydings, Beebe & Landa; Wheeler Sammons, publisher, " Who's Who in America, " and Ordway Tead, editor and director, Harper & Brothers.

The Institute is a non-profit foundation devoted to the study and improvement of management practices and policies. Its headquarters are at 125 East 38th Street; New York 16, New York.

Mr. Devlin to Read Paper at MLAA

John J. Devlin of the St. Michael's College faculty has received a rare honor. He has been invited to give a paper at the meeting of the Modern Language Association of America. The meeting is scheduled in Chicago on December 28.

Devlin, an instructor in modern languages at St. Michael's, will discuss " The Influence of France on Gertrude von le Fort " His paper will be read in the Comparative Literature section.

It seeks to draw parallels between the work of the German poetess and that found in the Revouveau Catholique in France.

Devlin is a candidate for his doctoral degree at Boston University. He earned his bachelor's and master's degree at Boston College. At St. Michael's, he instructs in English, German and French.

LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred Luckies to any other cigarette.

This year another nation-wide survey—based on thousands of actual student interviews, and representative of *all* students in regular colleges—shows that Luckies lead again over all brands, regular or king size...*and by a wide margin!* The No. 1 reason: Luckies taste better.

Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better—for 2 reasons. L.S./M.F.T. —Lucky Strike means fine tobacco. And Luckies are made better to taste better. So, Be Happy—Go Lucky!

Where's your jingle?

It's easier than you think to make $25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles —and we pay $25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y.

way the St. Michael's debaters handled themselves. Future events of the nature are in the tentative stages, and dates will be announced later.

The Club is composed of the Varsity and Novice groups and has in all, taken part in 40 debates, winning 21, losing 16, 3 being nodecision affairs. In its biggest tourney thus far, the UVM Invitational, The SMC club won 11 of 20 debates, opposing such powers as Annapolis, West Point, NYU, Williams and others.

The debating club meets every Wednesday afternoon at Science 107 at 4. New members, especially Freshman and Sophomores are always welcomed. As debating fosters self-confidence, poise and speaking ability (qualities used throughout a life time) we should not let the opportunity that is ours pass by.

If this is done, not only will these newly-elected officials be a credit to their class, but their class will be a credit to St. Michael's. Among their duties are included such things as the Freshman Dance and Council representation.

All in all, it looks like a big order, but a bit of hard work on the part of these men and substantial support by the members of their class will minimize the task to a very great extent.

sung by the audience, so that all may take part in the gala merry making. The Trinity College girls will join with the Michaelmen in singing those choruses of "The Messiah."

Having toned up by practicing every other day, this week, the St. Michael's Glee Club are ready to give a good show.

On the following night, the singing Michaelmen will return the favor to the Trinity Glee Club and sing at a Trinity Concert.

Sodality An Active Club

The Sodality of the Blessed Virgin Mary is the oldest club activity at St. Michael's College. It is devoted to the spreading of Christian living on the College Campus and its patroness, the Mother of God, has blessed it with success.

For many of the projects that have been undertaken by the Sodalists have contributed greatly in making God and His Blessed Mother a part of the student's daily life.

Under the guidance of the Fathers of St. Edmund, the Sodalists have erected statues of saints in each of the dormitories on campus. The recitation of the Rosary by the students on each floor before retiring, the teaching of religion classes by the Confraternity of Christian Doctrine in the Burlington area and the Living Rosary, are projects which have attracted enthusiasm.

This year the Sodalists have planned a more ambitious program. To those who have a desire to serve Mass, classes are being held throughout the week.

A Dialogue Mass, of which there are few, is another project which the Sodalists will inaugurate within the next few weeks.

NEWLY ELECTED OFFICERS OF BOSTON AND SPRINGFIELD CLUBS

Springfield club members have elected their officers for the year. Left to right are: STEVE O'BRIEN, treasurer; JAMES McCORMICK, secretary; FR. MORIARTY: JOHN J. O'CONNOR, JR., club president; TED DI MAURO, vice-president.

Our President, Very Rev. FRANCIS E. MORIARTY, S.S.E., extends his congratulations to the Boston club president, R. DONALD McGAFFIGAN. Looking on, left to right, are: AL MONAHAN, secretary; JOHN BARBATI, vice-president; and CARMEN PARRELLA, treasurer.
